PACKING INSTRUCTIONS

It is recommended that whenever possible, exhibitor's material must be packed in cases and/or crates suitable for us to re-use for return shipments, if necessary. To protect goods against multiple handling during transit, it is recommended that contents be securely chocked, blocked and braced, please ensure that:

1. All exhibits packed in cases must be well covered and water proofed as your exhibits will be store in an open area before or after the exhibition.

2. All crates/cases should be bolted rather than screwed or nailed.

3. Stapled or "stitched-nailed" crates or cartons should not be used except for disposable goods.

4 If crates/cases cannot be slung, they should be mounted on skids to facilitate the handling with fork-lift trucks.

5. Exhibitor, at their discretion, may plan to exhibit equipment on "skid", as the floor may not always be completely level. The "skid" must, however, be suitably covered to preserve the overall presentation of the exhibition.

6. To minimize risk of loss, damage or delay, avoid shipping your exhibit in small packages.

**** PACKING FOR FROZEN SEAFOOD**

Exhibitor who has frozen seafood for this event must be **packed with foam box (**not carton box), please also put enough of **ice pack** instead of dry ice to maintain the required temperature during transit to Qingdao.

DRAGON LINK

MARKING INSTRUCTIONS

All packages must show the following information:

CHINA FISHERIES & SEAFOOD EXPO 2026

Exhibitor's Name:
Hall no./ Booth No.:
Package no. : of
Gross Weight: Kgs
Net Weight: Kgs
Dimension: L x W x H cms

Please apply a minimum of two shipping labels per package and use only the metric system when stating dimensions and weight.

Special Markings

In addition to the above, markings should be shown on the sides of the crates/cases where applicable:

1. Label "FRAGILE" items on all sides.

2. Items that must be kept in upright position, must be labeled "THIS SIDE UP" on two sides.

3. Items which cannot be stored outdoors must be marked with the umbrella symbol on two sides.

4. Stripes should be painted on vessel, tanks and similar equipment to indicate where slings must be placed for hoisting. Also label "SLING" in the proper locations.

5. Cases containing spare parts must be marked "SPARE PARTS" and contain only spare parts

6. "CENTRE OF GRAVITY" and "FRONT" "BACK" signs must be clearly marked externally for uneven loads and bulky items.

7. Other markings should conform to the International Rules and Regulations governing packing signs and symbols.

DRAGON LINK

FUMIGATION

The law of Import and Export Animal and Plant Quarantine of the People's Republic of China went into **effect April 1, 1992.** This law requires that cargo interests or their agents must provide quarantine or fumigation certificates issued by the authorized agent of the exporting countries for the Chinese Animal and Plant Quarantine Office. This includes animal/plant products used for exhibition purposes and which include wooden packing materials, pallets, and containers with wooden bases. Known as "Quarantine objects", they are subject to inspection by the Quarantine Office at port of entry, and service charges will be incurred for such inspection and for any necessary fumigation treatment.

STORAGE OF EMPTY CASES

Empty packing case will be automatically removed, stored and returned to the booth at the close of the exhibition.

Every effort will be made to return empty cases to individual booths for packing at the close of exhibition, but priority will be assigned to exhibitors with hand-carried items.

INSURANCE

Every exhibitor should make certain that all shipments are covered by a full comprehensive policy from the time of dispatch from works to Qingdao and return (including exhibition period), preferably through a company of which the People's Insurance Company of China is the agent in Qingdao. It will be useful in case the exhibitor intends to claim for damages or loss in China. Exhibitors are free to use their own underwriters; otherwise, our company is able to arrange insurance coverage of exhibits from the point-of-origin to destination and vice-versa for re-export. Please let us know if this service is required.

DRAGON LINK

RETURN OF EXHIBITS ETC. FOLLOWING THE CLOSE OF THE EXHIBITION

During the exhibition, you will be visited by a member of Dragon Link Enterprises Ltd.'s staff who will give you full instruction regarding the re-packing and shipment of your goods.

N.B. It is advisable to include a quantity of spare packing material (e.g. wrapping paper, plastic foil, etc.) in your original shipment to replace any that may be inadvertently destroyed during unpacking.

Preparation for return of shipments and exhibits will be arranged only after all customs clearance procedures are complete.

PAYMENT

A. For In-bound Movement

We will deliver the exhibits to exhibitor's stand **ONLY** upon received full payment.

B. For Return Shipment

i) Hong Kong : payment should be settled before release of exhibits in Hong Kong.
ii) Overseas : Bill of Lading(s) / Master Airway bill will be released to consignee **ONLY** upon received of full payment.

TERMS AND CONDITIONS

All services and work undertaken by Dragon Link Enterprises Ltd. is carried out according to the terms and conditions outlined in the Company Terms and Conditions of Trading, copies of which are available upon request.
